Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action dated August 28, 2001, which set a three month shortened statutory period for response, please find enclosed the following remarks.

**REMARKS**

Favorable reconsideration, reexamination, and allowance of the present patent application are respectfully requested in view of the following remarks.

Initially, the Examiner is thanked for the indication, in the March 13, 2001 Office Action, that Claims 1-44 are free of the prior art. This Request for Consideration is submitted in response to the subsequent Office Action of August 28, 2001, which indicated that Claims 29-44 were rejected as being an impermissible recapture of subject matter previously surrendered by the Applicant.
